TRY-A-SKILL AREAS

Drop in anytime at our Try-a-Skill areas in (almost) every hall. Here you can test your skills and see where you excel - and maybe even discover a new talent or future career path!

SILENT STAGE

Listen to inspiring talks on skills, innovation and sustainability through wireless headphones.

BOSS LADIES EMBASSY

Visit the Boss Ladies Embassy to learn about their efforts to empower women to pursue careers in traditionally male-dominated trades and vocational education.

SHOWDOWN ARENA

The EuroSkills Showdown Arena challenges YouTubers in wild, over-the-top battles - from insane cake contests to massive flower design face-offs with thousands of blooms. Come and join the fun!

SUSTAINABILITY TRAIL

The Sustainability Trail guides you through the halls with stops showcasing green solutions, ideas, and innovations from our partners and exhibitors - highlighting how skills and professions contribute to a greener future.

SILENT ZONE

Take a break in the Silent Zone - a calm space to relax and recharge. Manned by Headspace, who are ready for a friendly chat if you need one.

THE GREEN MISSION

QR codes by every competition. Take part in a digital treasure hunt! Scan QR codes on wooden signs, answer sustainability questions, and win great prizes. Open to everyone, but especially designed for lower secondary students.

#SkilledGreenerFuture-park

A chill indoor spot filled with ideas, inspiration and a touch of nature. Discover how young talents and companies are creating a more sustainable future through skills, creativity and collaboration. You can even share your own pledge for a greener future - or just grab a picnic blanket, enjoy your lunch, and relax under the trees.
